Do you want to start a new club? Just get a couple of friends together and a staff member to sponsor your group and we'll add your club to our list! It's that easy!

"SIGN ME UP!"

Signing up for orchestra, band and chorus is easy. During all lunch periods, on the first few days of school, sign-up sheets are posted and announcements are made.

Later, the instructors schedule auditions.

Student Government representatives are nominated by each advisory during Morning RAP. Senators are selected toward the end of the year. In both cases, their peers select the Student Government members. Student Government has a place for everyone.

Signing up for the other activities is just as simple. In the morning, announcements are made to the entire school. Directions are given explaining where and when to sign up. If you miss an announcement, check with your Morning RAP Advisor, our website, or the main office.

"IT'S IN MY PLANNER!"

When do these activities take place?

Most activities take place after school and last until 4:20 PM. Students can either be picked up, walk or take a late bus which is provided for those students who are bused to school.

Student Government, band, orchestra and chorus take place before, during, and after school. During school, the instructors create special schedules and students are excused to go to these activities. Our instructors make sure that students do not miss the same class for each session.
