Dear Parents and Guardians,

This morning, a student experienced a medical emergency at Beck Middle School. The nature of the emergency caused us to place the school in "Shelter in Place" status so as to allow emergency personnel direct and efficient access to the student.

During a "Shelter in Place," staff and students remain in their classrooms, and no one is permitted to enter and exit the building. Teachers continue to provide instruction, but students do not change classes until the "Shelter In Place" status is lifted. The Shelter In Place lasted approximately 30 minutes.

I would like to thank our staff and students for reacting appropriately, and I would also like to thank the Cherry Hill emergency personnel for their prompt response.

Sincerely,

Sidney Dawson
Principal, Beck Middle School
