

Beck Middle School

Cherry Hill, N.J.

Dear Parents and/or Guardians,

The BEC (Beck Environmental Club) will once again be selling fall outdoor plants until Monday, September 23. We are offering large hardy field grown chrysanthemums purchased from the Circle Garden Center in Berlin. Pick-up will be **Wednesday, September 25th from 3:00 to 4:30**. Pick-up is rain or shine. If you cannot pick up on September 25th, please contact Mr. Haaf at ghaaf@chclc.org and let him know when you can pick up your order.

During the sale, samples of the plants will be on display in the front of the school as part of Beck's fall landscape. We hope you can help support this endeavor as the profits will be used to enhance our scenery around the school grounds. Orders will also be taken in the hallway near the cafeteria at the Beck Back to School nights.

Please use the order form at the bottom of this page and return it to your child's Morning RAP in a sealed envelope with cash or a check payable to **Beck Middle School**. Please remember to mark your calendar for **September 25th** and arrive as early as possible so you can get the colors that you desire the most. You may pick up your order in the front parking lot near the entrance to the courtyard.

Please advise your child(ren) that this is **not a door-to-door fundraiser**. Thank you for your support in this activity.

Sincerely,

Gary Haaf and Sue Avery
BEC Advisors
