**Re:** Beck Athletics and Introduction of B Teams

---

Hello Beck Family! I hope that summer is going well so far and that you take a moment to relax and have quality family time.

Regarding athletics for 2018-2019, a few points to remember...

- Please complete your physical forms over the summer and get them in prior to the first day of school. This helps with forming our teams in the fall. Please note: NO student is permitted to try-out or compete in a sport without the documentation being completed. You can find the forms on the Beck Website under the nursing section.
- For the first time in quite a few years, Beck Middle School will be featuring B Teams! This includes two teams for Field Hockey, Boys Soccer, Girls Soccer, Boys Basketball, Girls Basketball, Baseball, and Softball. We will continue to offer Cross Country, Wrestling and Track & Field as well. Intramural activities will also continue for tennis, basketball, bowling, flag football, and girls volleyball. All sports (except intramural) will require a try-out moving forward. All sports, including intramural, require the aforementioned sports physical paperwork.
- We encourage all students, especially our new incoming 6<sup>th</sup> grade class, to consider our new athletic opportunities at Beck. Go Bobcats!!!
