

ESSENTIALS FOR ENVIRONMENTAL EDUCATION RESIDENCY

Comfortable heated sleeping and eating facilities are provided, but each student should be prepared for outdoor lessons. Avoid new clothing and make sure shoes are completely broken in to eliminate foot problems on hikes. Rainy weather gear is a must. In winter, provide warm clothing for feet, ears, hands and body.

Please leave all valuable items at home. Radios, electronic games, TV's, cell phones, Ipods, smart watches/wearable technology and CD players are not permitted.

1. Bath Towels (at least 2)
