STOPit is a platform used to anonymously report incidents of Harassment, Intimidation and/or Bullying.

It will launch districtwide on October 1, 2018. STOPit is not monitored 24/7 and we will still encourage students and families to speak with trusted adults regarding issues of concern. All students will participate in STOPit information sessions prior to the districtwide launch.

Two steps for parents:

1. Download the STOPit app from Google Play, iTunes, or login at <https://appweb.stopitsolutions.com/login>
2. Enter the STOPit access code for Beck Middle School which will be shared when we go live.
