September 2018

Dear Parents/Guardians of 7th Grade Students:

I am very pleased to inform you that the Beck faculty and administration have planned our 10th annual **trip to The Liberty Science Center** for all of our 7th grade students. The trip will take place on **Thursday, February 28, 2019** and will be a wonderful Science learning experience for our students.

The Liberty Science Center is located in Jersey City, New Jersey and has been recently renovated to provide a unique learning experience for our students.

Included in this experience will be access to the "Wonders of the Universe" exhibit in the Planetarium and the Star Trek exhibit.

The following is some pertinent information regarding this trip:

- **The total cost of the trip will be \$60.00** (please make checks payable to Beck Middle School). This includes travel, admission to the Liberty Science Center, and entrance to the exhibits.
- Please return the payment and permission form by Friday, November 30, 2018 to your child's Morning R.A.P. Teacher.
- We are planning to return to Beck by 5:00 p.m. that day. Arrangements should be made to have your child picked up at that time.
- Parents are welcome to join us. The cost for parents is also \$60.00 each.
- Students may be excluded from this trip due to behavioral issues in school.

Sincerely,

Bernard O'Connor
Principal
