December 2018

Dear Parents/Guardians:

The sixth grade students are scheduled to participate in our environmental education residency program during the following weeks:

(Team 3)	Tuesday, March 5 <sup>th</sup> to Friday, March 8 <sup>th</sup>
(Team 2)	Monday, March 11 <sup>th</sup> to Thursday, March 14 <sup>th</sup>
(Team 1)	Tuesday, March 19 <sup>th</sup> to Friday, March 22 <sup>nd</sup>

We are looking forward to this experience with your children. We need to begin to make plans necessary to ensure that your child will have a safe and rewarding experience.

A parent meeting to discuss all of the particulars has been scheduled for Wednesday, January 9, 2019 at 7:00 P.M. in the cafeteria. At that time, Mr. John Deitelbaum, coordinator of the Mt. Misery program, and teachers will present a short program. Our nurse, Mrs. Barbara Avner will review medical procedures and address concerns.

The program follows the sixth grade science curriculum and focuses on ecology and environmental studies. Your child's teachers will be part of the staff at Mt. Misery during the week.

Please make a point to be at the meeting on Wednesday, January 9, 2019 at 7:00 P.M. We will hold a question and answer session at the conclusion of the presentation.

Sincerely,

Albert Morales, Ed. D.  
Assistant Principal
